

Fenway Community Development Corporation
Improving Lives and Building Community

Dear Fenway CDC's Friends and Members:

Due to concerns surrounding the ongoing COVID-19 outbreak, our Fenway CDC staff will continue to work remotely and are accessible via phone and email. *Please visit www.fenwaycdc.org for latest updates of our events and programs.*

Based on recommendations from the Centers for Disease Control, MA Department of Public Health, and Boston Public Health Commission, we strongly advise residents of our buildings and neighbors to take precautions to protect our community's public health and safety. We recommend below steps to prevent the spread of the flu and other illnesses:

1. Wash hands frequently, for 20 seconds with soap and warm water. If this option is not available, use hand sanitizer (active ingredient of 60% alcohol or more).
2. If you have a fever or are experiencing flu-like symptoms, stay home and do not attend public gatherings until symptoms have subsided. Take medicine and see doctor if your health condition is serious.
3. When coughing or sneezing, use a tissue or your inner elbow to cover your mouth and nose. Wash hands immediately after. Throw tissue in trash bin.
4. Get a flu vaccine! It's not too late!

Keeping in mind solidarity with our community, please be respectful of all regardless of race, nationality, ethnicity, or class.

Please visit below links for information and resources:

- Mass.gov/resource
- cdc.gov/coronavirus
- cdc.gov/globalhealth

While it is important to take precautions, the need for affordable housing, community programs, and organizing does not stop during a public health crisis. Please feel free to contact us for any assistance and support our work.

Sincerely,
Leah Camhi
Executive Director

**Fenway Community
Development Corporation**
Improving Lives and
Building Community

Providing quality service to our residents is our top priority. We continue to operate from Monday to Friday, 9am to 5pm. If you need any assistance, please call or email the staff in-charge. See contact list for more information. Thank you!
